## **1 National Library Administration**

The National Library of Indonesia (NLI) is a non-departmental government institution. NLI is responsible directly to the President of the Republic of Indonesia while in performing its operational duties, NLI is under the coordination of the Minister of National Education.

Since June 2010, NLI has new executive management boards that are Mrs Sri Sularsih (the Director), Mr Dedy Junaedi (the Secretary General), Mrs Lilik Soelistyowati (Deputy for Developing Library Collection and Information Services), Mr. Bambang Supriyo Utomo (Deputy for Developing Library Resources).

## **2 National Library Programs**

The mission of NLI is to guide, develop and make the most of all kinds of libraries; preserve references (printed and recorded) as nation's cultural achievements; and to provide library services to all.

Indonesian Government has set up 11 national priority programs as stated in the National Medium Term Development Plan (RPJM Nasional) 2009-2014. The library development program belongs to the 11<sup>th</sup> program which is under the Field of "Culture, Creativity and Technological Innovation". Targets to be achieved in the library development programs are:

- a. Providing reading materials to develop reading habit and culture of the society
- b. Improving ITC based library services throughout the country
- c. Improving the quality and capacity of the library throughout the country to support lifelong education
