Overall Evaluation

Accessibility environment

Ensure physical space is fully functional, suitable ergonomic design

Create a comfortable, friendly atmosphere

Equal opportunities

Provide services and products that meet specific needs

Create conditions for everyone to participate in all library activities using those services and products

Challenges

Inadequate community awareness of special needs

The Gov.'s policy mechanism is not yet comprehensive to investing in the Inclusive Library

Libraries and librarians lack of specialized knowledge & skills to effectively serve

Library for everyone

The ILS initiative and the promotion of ILS with its humanistic values for a better life, for a learning society towards sustainable development.

The background is a solid blue color. In the top right and bottom left corners, there are decorative elements consisting of overlapping, semi-transparent white circles and arcs, creating a sense of depth and movement.

Thank you!
