Request Form For Remote Photoduplication (Courier or Postal mail)

Instructions for applicant

1. This request form must be legible and preferably typed.

National Diet Library (NDL) User ID

- $2. \quad A \ separate \ request \ must \ be \ made \ for \ each \ item. \ Requests \ must \ be \ made \ within \ 20 \ at \ one \ time.$
- 3. Please include additional information in the Notes column.

Conditions for photoduplication

- 1. The applicant assumes full responsibility for any problems related to copyright protection that might arise from the use of this photoduplication service.
- 2. To ensure preservation as well as standardized service for all patrons, there are some library materials that may only be copied using a specific method or from a specific service menu. The National Diet Library (NDL) reserves the right to choose the size of copy paper. All materials in a single request are copied onto the same-sized copy paper. For more detail about NDL's remote photoduplication service, please see the NDL's home page [https://www.ndl.go.jp/en/copy/remote/index.html].
